**SUBMISSION OF INVENTORS' DECLARATION**

The above-identified U.S. national phase application was filed on March 25, 2005 without an Inventors' Declaration. Submitted herewith is a copy of the Inventors' Declaration executed by inventor Abbas Razavi to complete the requirements for filing.

It is believed that no fee is due for the filing of this document as the \$130 fee for filing a late oath or declaration for a large entity was submitted with the national phase application. However, the Commissioner is hereby authorized to charge any additional fee due to the Locke Liddell & Sapp LLP deposit account no. 12-1781.

Respectfully submitted,
